

Sewer Upgrades Project

Coming Soon in Your Area

As part of the Sewer System Improvement Program, the San Francisco Public Utilities Commission (SFPUC) contractor, Cratus Inc., will begin construction to rehabilitate the existing 100-year-old sewer pipelines and replace some manholes and sewer laterals on **Kearny Street, between Clay and Sacramento Streets**.

2023 Project Schedule: Kearny Street (*Subject to Change*)

General Work Hours: Monday-Friday at 9:00am – 3:00pm

- **Beginning Week of February 13:** Inspection and pre-cleaning of sewers
- **Months of March and April:** Sewer upgrades (open trenching and sewer excavation)
- **Early June:** Final paving

**Weather and construction issues could impact the schedule. General workdays and hours are Monday – Friday, 9:00 a.m. to 3:00 p.m. Expect delays, consider alternate routes, and plan ahead if you must travel through the area.*

What to expect:

- **SEWER SERVICE:** These services will NOT be interrupted during construction.
- **PARKING:** Street parking will be impacted near construction zones. “No-parking” signs will be posted 72 hours in advance.
- **TRAFFIC:** Partial and/or full lane closures may be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided, as needed.
- **MUNI:** Bus stops may be impacted during work, and if so, advance notice will be provided.
- **ACCESS:** Follow posted signage on site. Businesses and residents in the work zone will maintain access to their driveways and entrances during construction.
- **NOISE:** Neighbors may hear construction noise periodically. Noisy work will be conducted in compliance with the San Francisco Noise Ordinance.
- **ODORS:** If necessary, odor control measures will be in place during construction.
- **NOTICE:** Expect to receive regular email updates from the project team. Please email ssip@sfgwater.org with the subject line “VL Kearny” if you would like to be added to the email list.
