San Francisco, CA 94102

NOTICE OF PUBLIC HEARING: During its regular meeting on June 24, 2025, at 1:30 PM, the San Francisco Public Utilities Commission (SFPUC) will hold a public hearing to consider a change in the rebate amount for the SFPUC's existing commercial clothes washer rebate program from \$5000 dollars per qualifying commercial-grade clothes washing machine to \$1,000 dollars per qualifying machine. The \$5,000 rebate amount was funded through a one-time appropriation of \$350,000 as directed by the San Francisco Board of Supervisors, and that has been expended. The SFPUC is also proposing to eliminate the 10-dwelling unit or more eligibility requirement for multi-family properties to allow any size multi-family properties to participate for washers installed in common-area laundry rooms, and add a SFPUC accounting requirement that applicants who aren't the water account holder provide written permission from the water account holder.

Copies of the agenda item and related files will be available 72 hours in advance of the June 24, 2025 meeting on the Commission's website: <https://sfpuc.org/about-us/boards-commissions-committees/sfpuc-commission/agendas-minutes-resolutions-log>.
