During its regular meeting on May 9, 2023, at 1:30 PM, in San Francisco City Hall, Room 400, the San Francisco Public Utilities Commission will hold a public hearing and consider a resolution to adopt the proposed Wholesale Water Rates and Charges for Fiscal Year 2023-2024, which will become effective for meter readings on or after July 1, 2023. The proposed rates will apply to the SFPUC's 27 wholesale water customers in Alameda County, San Mateo County, and Santa Clara County ("Wholesale Customers"), who will in turn establish local utility rates for the retail water customers that they serve in their respective jurisdictions. The SFPUC developed the proposed rates in accordance with the terms of the Water Supply Agreement between the City and County of San Francisco and the Wholesale Customers, which was approved on April 28, 2009 by Commission Resolution No. 09-0069, and amended and restated on January 26, 2021 by Resolution No. 21-0009, with subsequent approval from the Wholesale Customers.

Copies of the agenda item will be available 72 hours in advance of the May 9, 2023 meeting on the [Commission's website](#).
