Rendering of Project View - Great Highway/Sloat Boulevard Intersection Looking South

Meet with Us Monday, November 16 at 6:00pm

The San Francisco Public Utilities Commission, San Francisco Municipal Transportation Agency, Department of Public Works, and SF Recreation & Parks will be holding a multi-agency community meeting to share status updates on the City's **Ocean Beach Climate Change Adaptation Project.**

While the major construction is expected to begin in 2029, initial improvements to public safety and access are anticipated to begin in early 2027. Jointly led by the agencies listed above, these improvements focus on access to the SF Zoo, bicycle and pedestrian improvements, and traffic improvements.

For more information please visit sfpuc.org/oceanbeach.
