

SEWER UPGRADES COMING 04/2025

Coming Soon in Your Area

The San Francisco Public Utilities Commission (SFPUC) operates a combined sewer system that collects and treats wastewater (sewage and stormwater). Seacliff 1 & Seacliff 2 Pump Stations (PS) provide essential sewer services to parts of the Seacliff area. Both facilities are at the end of their useful life and in need of upgrades. No service disruptions are anticipated, and additional notice will be provided prior to and during construction.

WHERE: Construction will occur along Sea Cliff Avenue from China Beach to El Camino Del Mar and El Camino Del Mar from Seacliff Avenue (See Map).

WHEN: The anticipated start date for construction work is April 14th, 2025 with completion scheduled for spring 2026.

Weather and construction issues could impact the schedule. General workdays and hours (weather permitting) are Monday – Friday, 7:00 a.m. to 5:00 p.m. Weekend, Night, and Continuous 24-HR work is allowed.

WHAT TO EXPECT

PARKING: Street parking will be restricted in the project area during construction hours. “No-parking” signs will be posted 72 hours in advance. Please see posted signs for exact workdays, hours, locations, as they may vary depending on construction task.

SEWER AND WATER SERVICES in the area will NOT be interrupted during construction.

TRAFFIC: Street closures in the project area will be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided.

ACCESS: Follow posted signage on site. Businesses and residents in the work zone will maintain access to their driveways and entrances during construction.

NOISE: Neighbors may hear construction noise periodically. Noisy work will be conducted in compliance with the San Francisco Noise Ordinance.

ODORS: If necessary, odor control measures will be in place during construction.

NOTICE: A 10-day notice will be distributed prior to construction to residents and businesses within the project area with project information.
