

SEWER UPGRADES COMING 10/24

Coming Soon in Your Area

The San Francisco Public Utilities Commission (SFPUC) contractor will be upgrading the aging sewer main pipes near you (ages range from 90–150 years old) to ensure reliable sewer service. Some sewer laterals may be replaced, as needed. No service disruptions are anticipated, and additional notice will be provided prior to and during construction.

WHERE: See Project Location on the right.

WHEN: October 24, 2024, for an estimated duration of 11 months.

Weather and construction issues could impact the schedule. General workdays and hours (weather permitting) are Monday – Friday, 7:00 a.m. to 5:00 p.m. Weekend, Night, and Continuous 24-HR work is allowed.

WHAT TO EXPECT

PARKING: Street parking will be restricted in the project area during construction hours. “No-parking” signs will be posted 72 hours in advance. Please see posted signs for exact workdays, hours, locations, as they may vary depending on construction task.

SEWER AND WATER SERVICES in the area will NOT be interrupted during construction.

TRAFFIC: Street closures in the project area will be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided.

ACCESS: Follow posted signage on site. Businesses and residents in the work zone will maintain access to their driveways and entrances during construction.

NOISE: Neighbors may hear construction noise periodically. Noisy work will be conducted in compliance with the San Francisco Noise Ordinance.

ODORS: If necessary, odor control measures will be in place during construction.

NOTICE: A 10-day notice will be distributed prior to construction to residents and businesses within the project area with project information.
