What to Expect

No parking signs will be placed on the street 72 hours in advance of construction. Parking is only prohibited in the work zone during construction hours.

For access, please follow posted signage on site. Driveway access to businesses and residents in the work zone will be maintained as needed.

Partial and/or full lane closures may be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided as needed.

Sewer services will NOT be interrupted during construction.

For Muni, passenger loading zones for bus stops may be temporarily relocated. Advanced notice and detour signage will be provided as needed.

Your Ratepayer Dollars at Work

The San Francisco Public Utilities Commission (SFPUC)

The West SOMA, Panhandle and Inner Sunset Large Sewer Improvements Project will rehabilitate the existing 100-year-old sewer mains and sewer laterals located under various streets.
